ARLINGTON HEIGHTS, ILLINOIS

Forward

The Heights, 1947

We, the staff, are sending you into the world as a testimony of our sincere effort to preserve, in a few pages, glimpses of our high school days and to portray the spirit and environment in which we have spent them. Though we concede your faults, we hope that your merits will overshadow them. And if, in later years, your soiled pages bring fond memories to the heart that has forgotten, we are sure your mission will have been accomplished.

Arlington High

Arlington High, Arlington High,
Plunge right through that line;
Send the ball clear down the field, boys—
Basket sure, this time.
Uh Rah-Rah—
Arlington High, Arlington High,
Fight on for her fame;
Fight, fellows, fight,
And we will win this game.

Winter Snow Scene

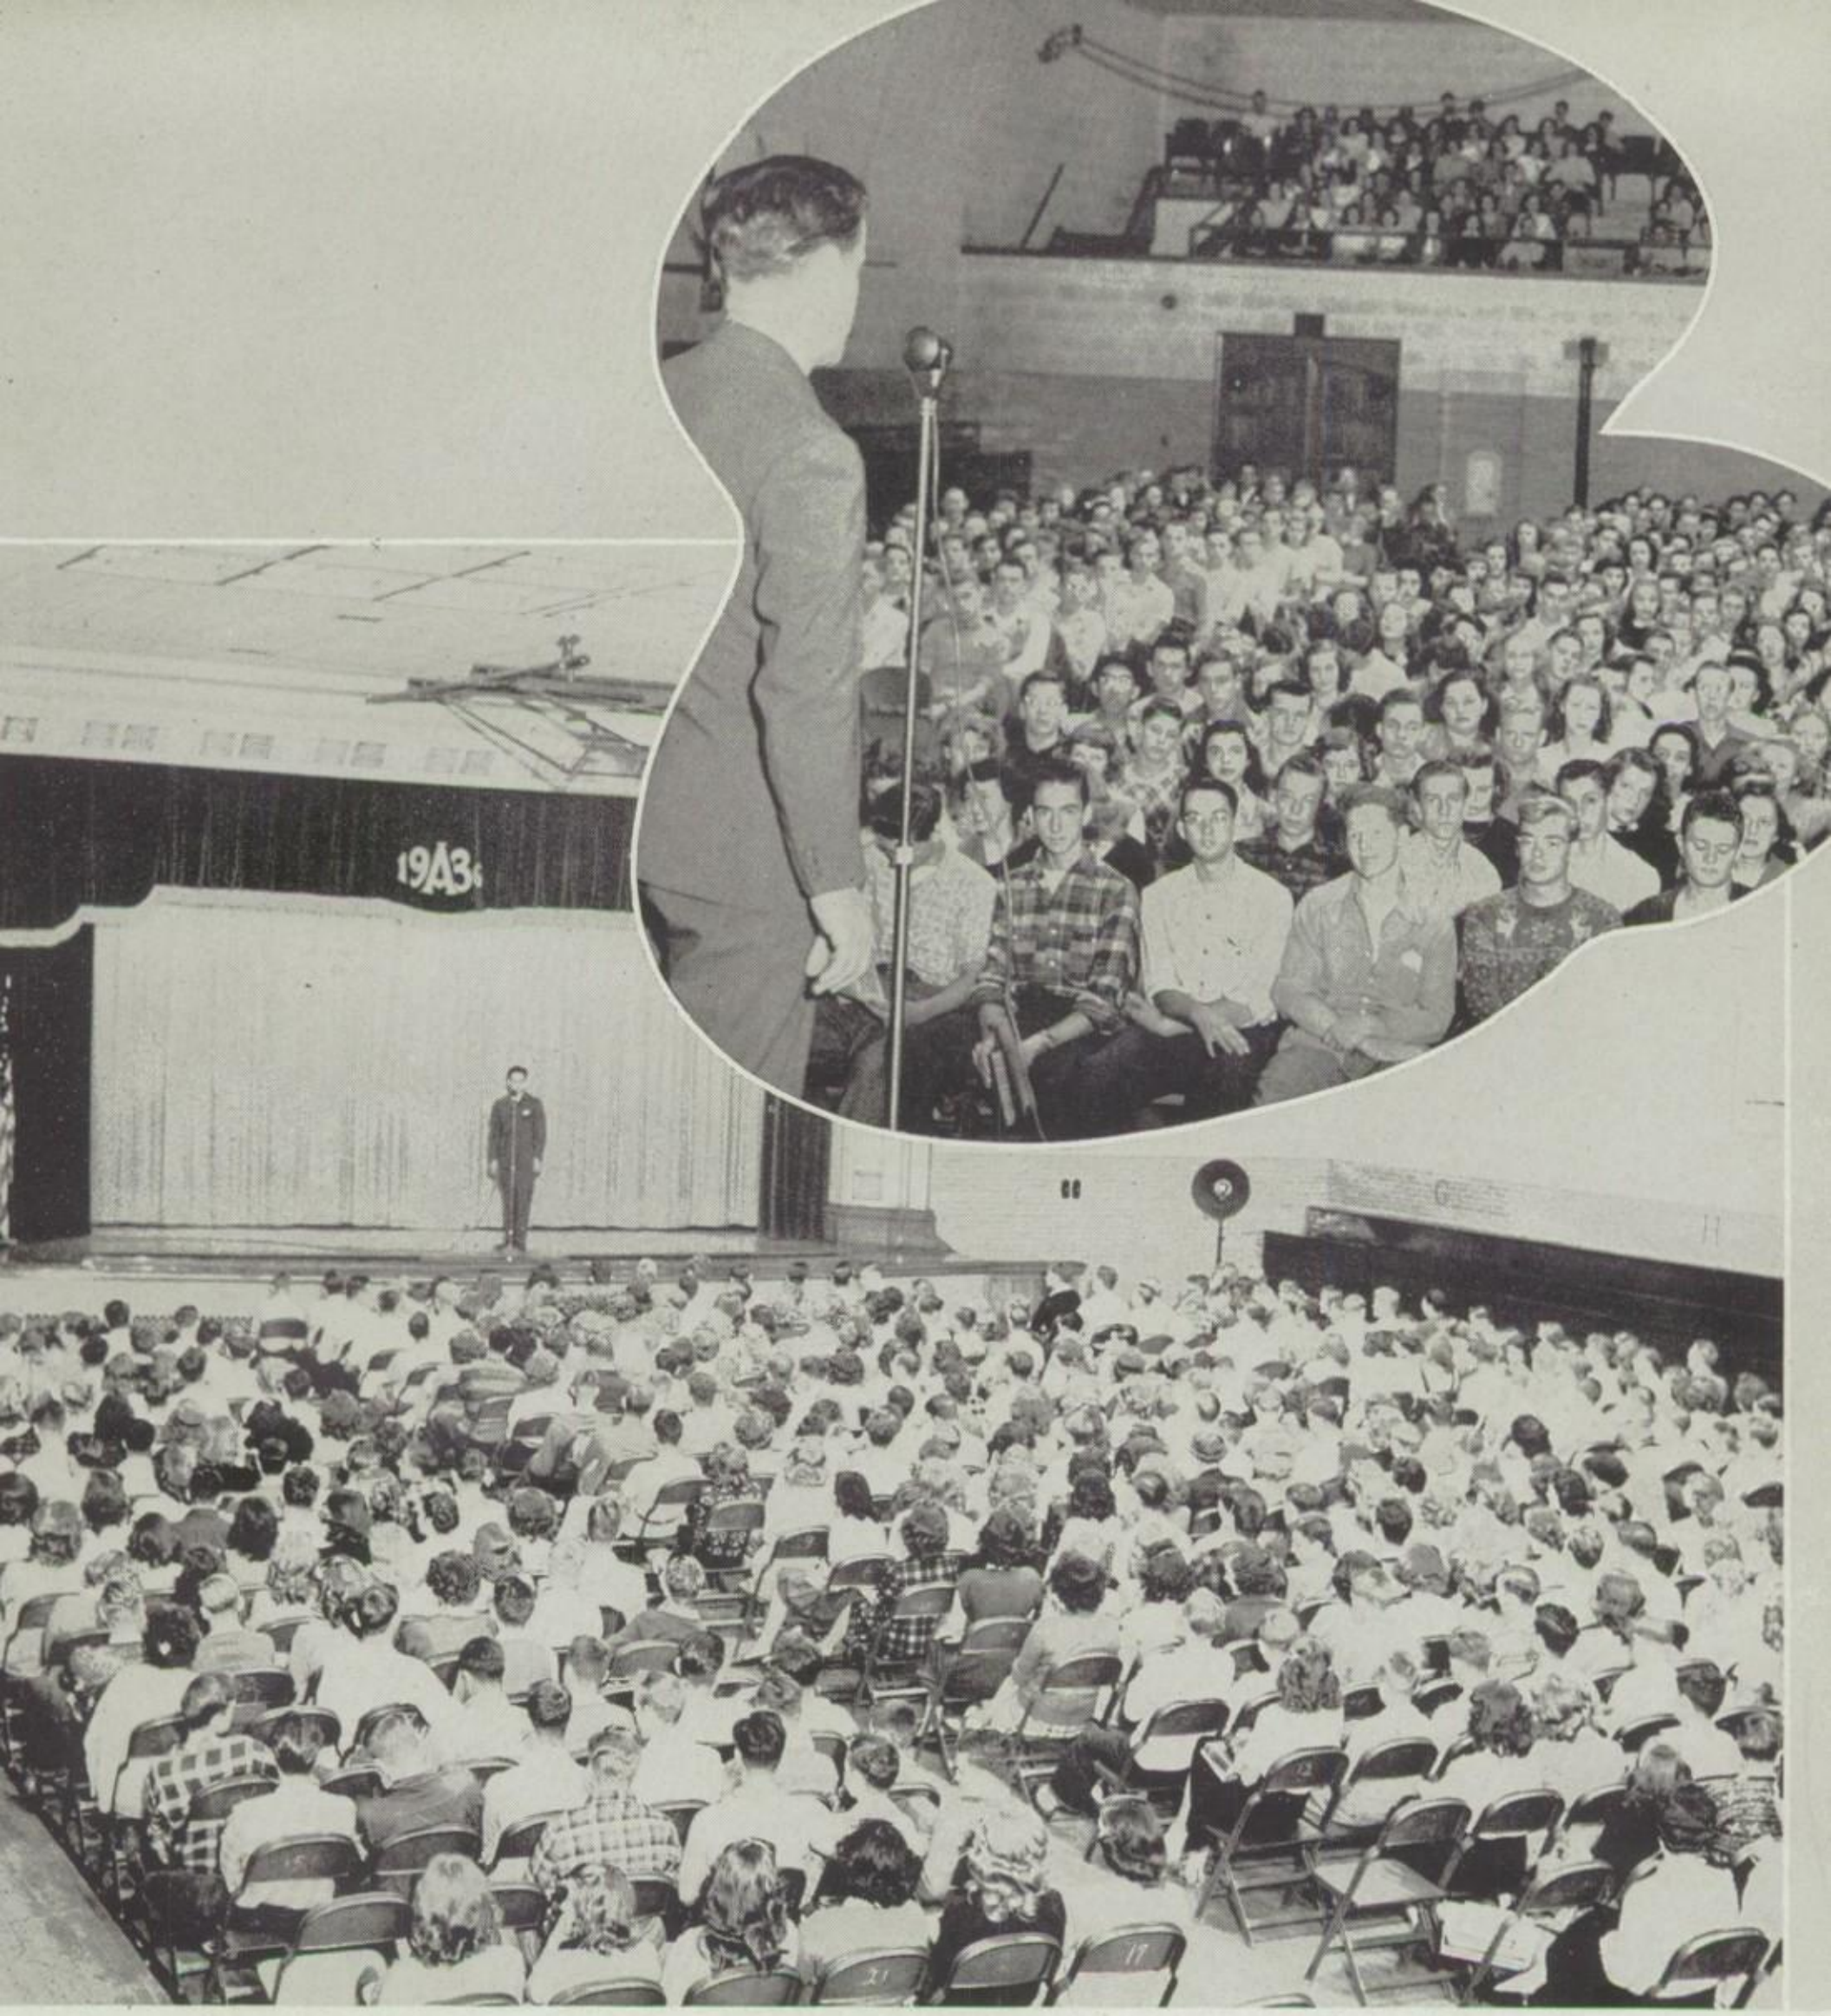
Dark against a winter sky, but bright in the heart of athlete and fan alike.

Arlington Heights Township High School

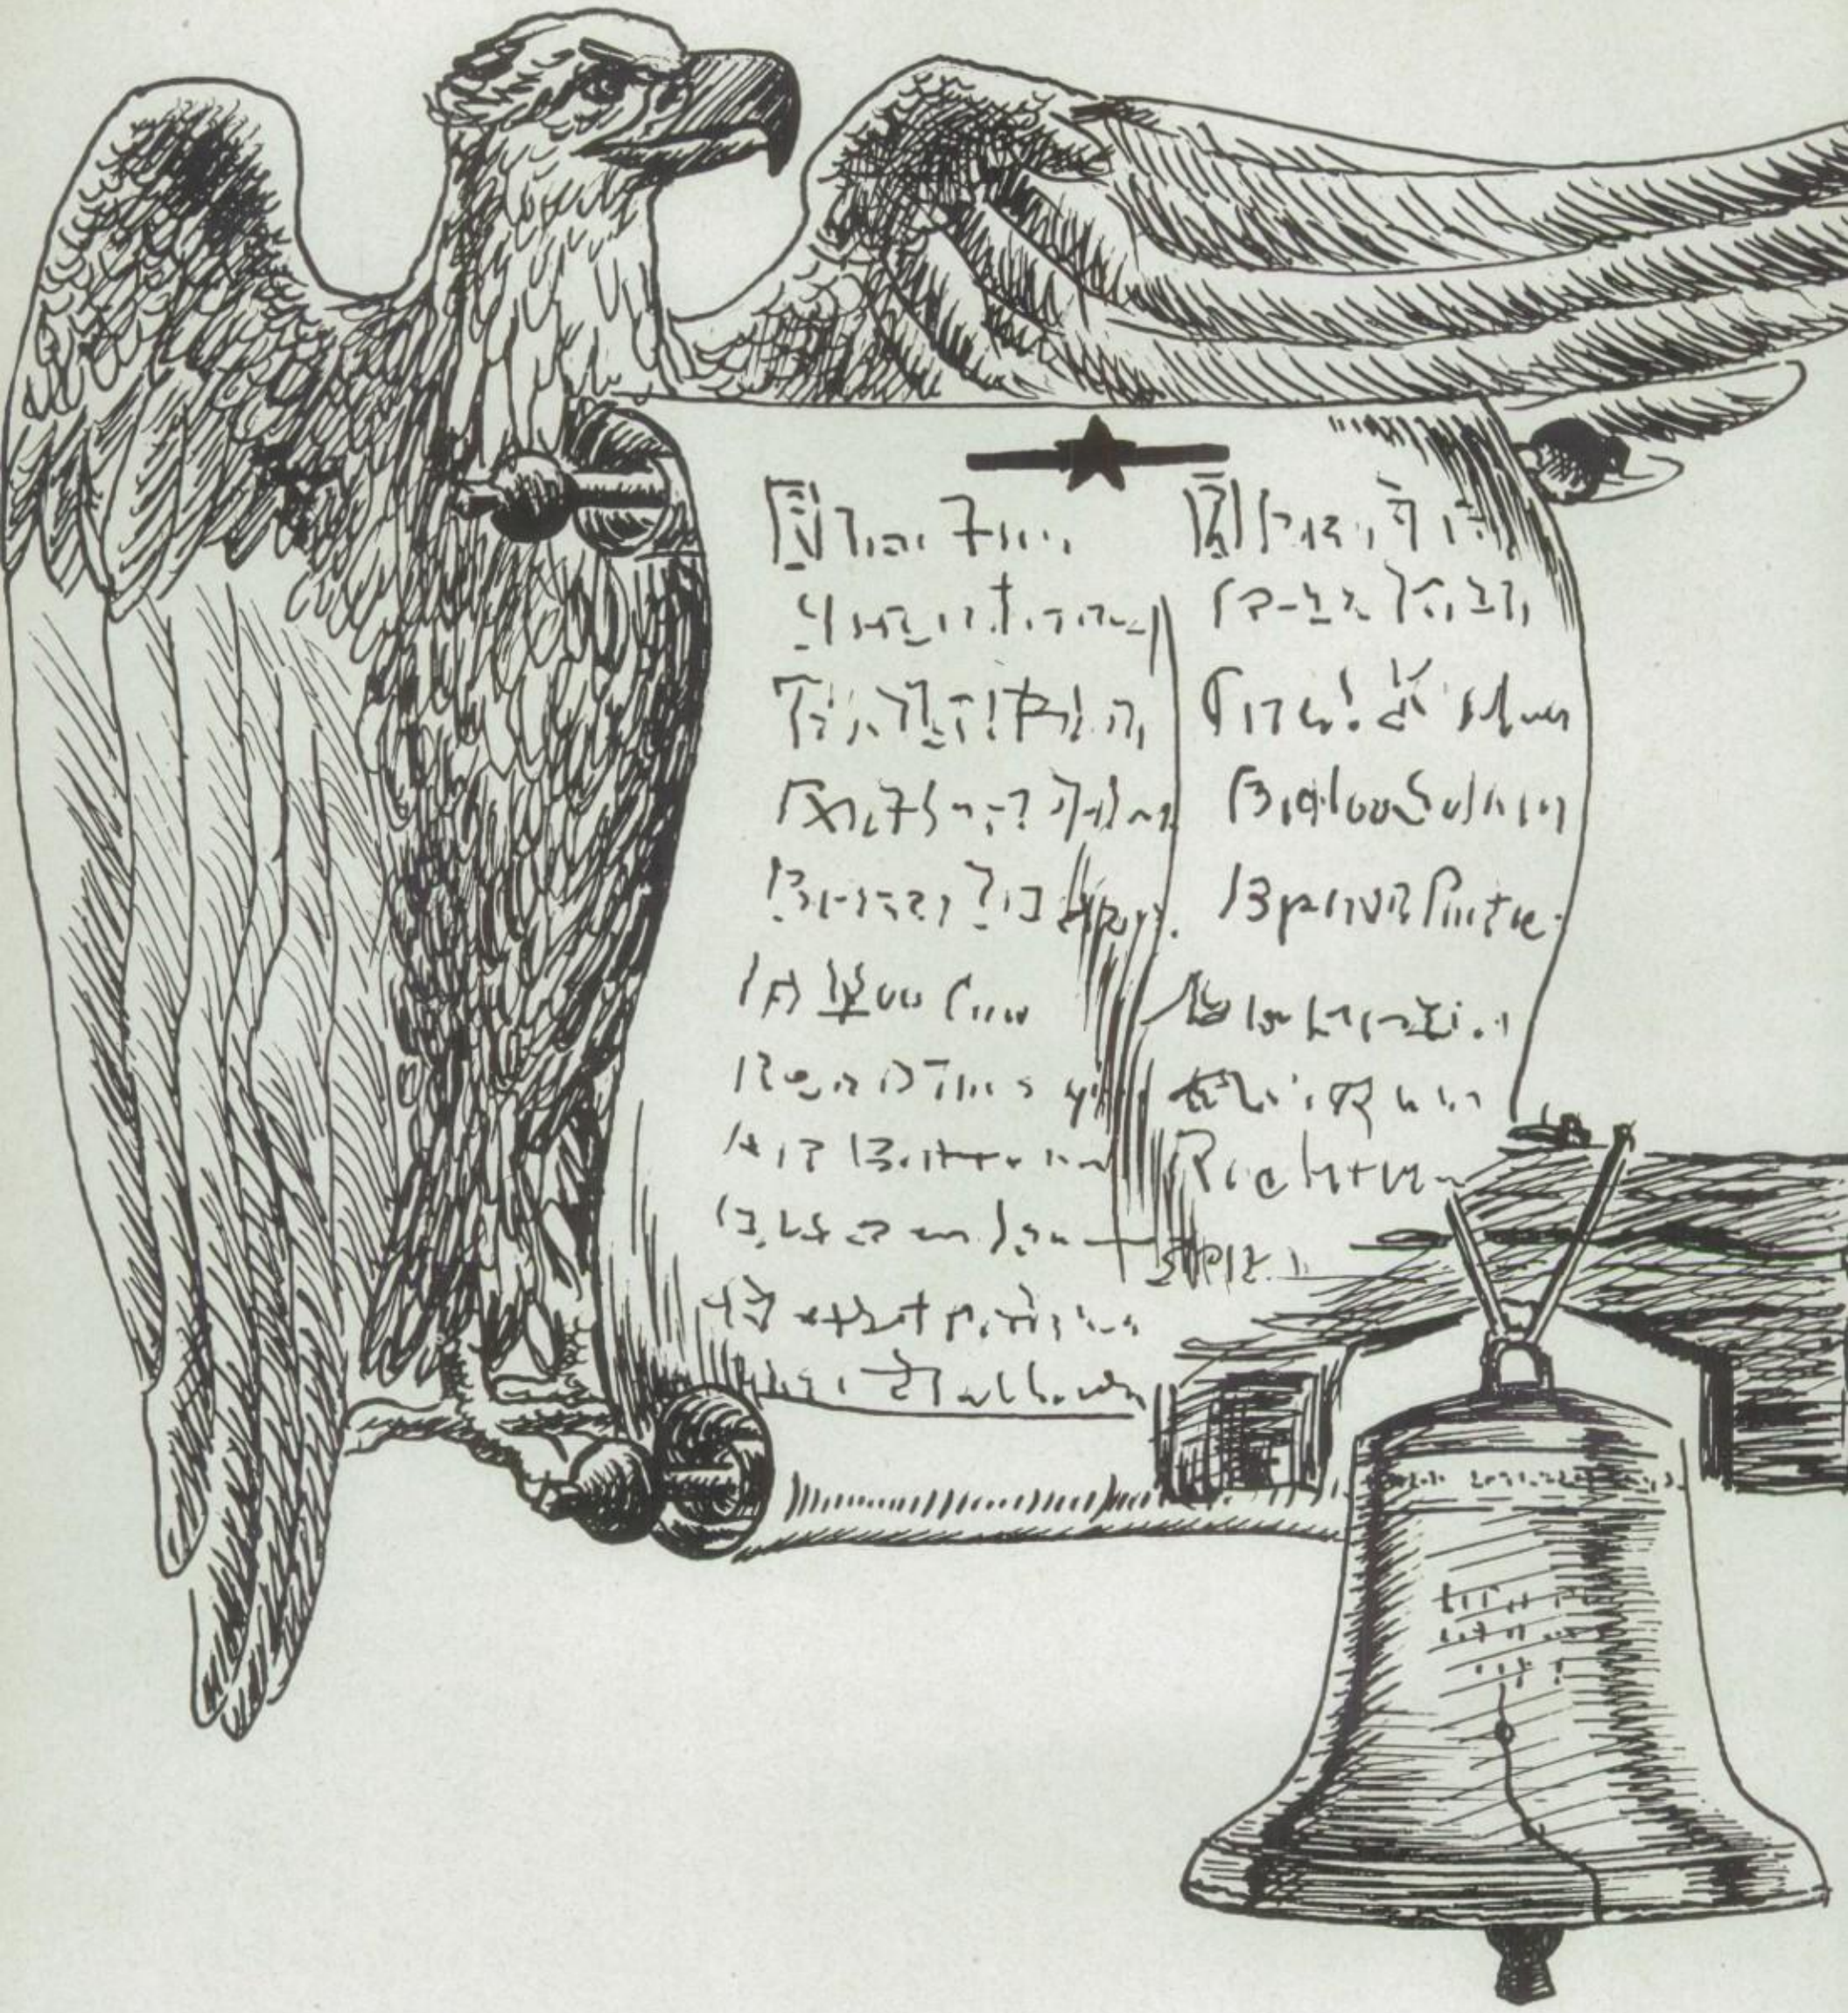
Through these portals youth passes in search
of that freedom which knowledge alone can give.

Arlington Heights High School Campus

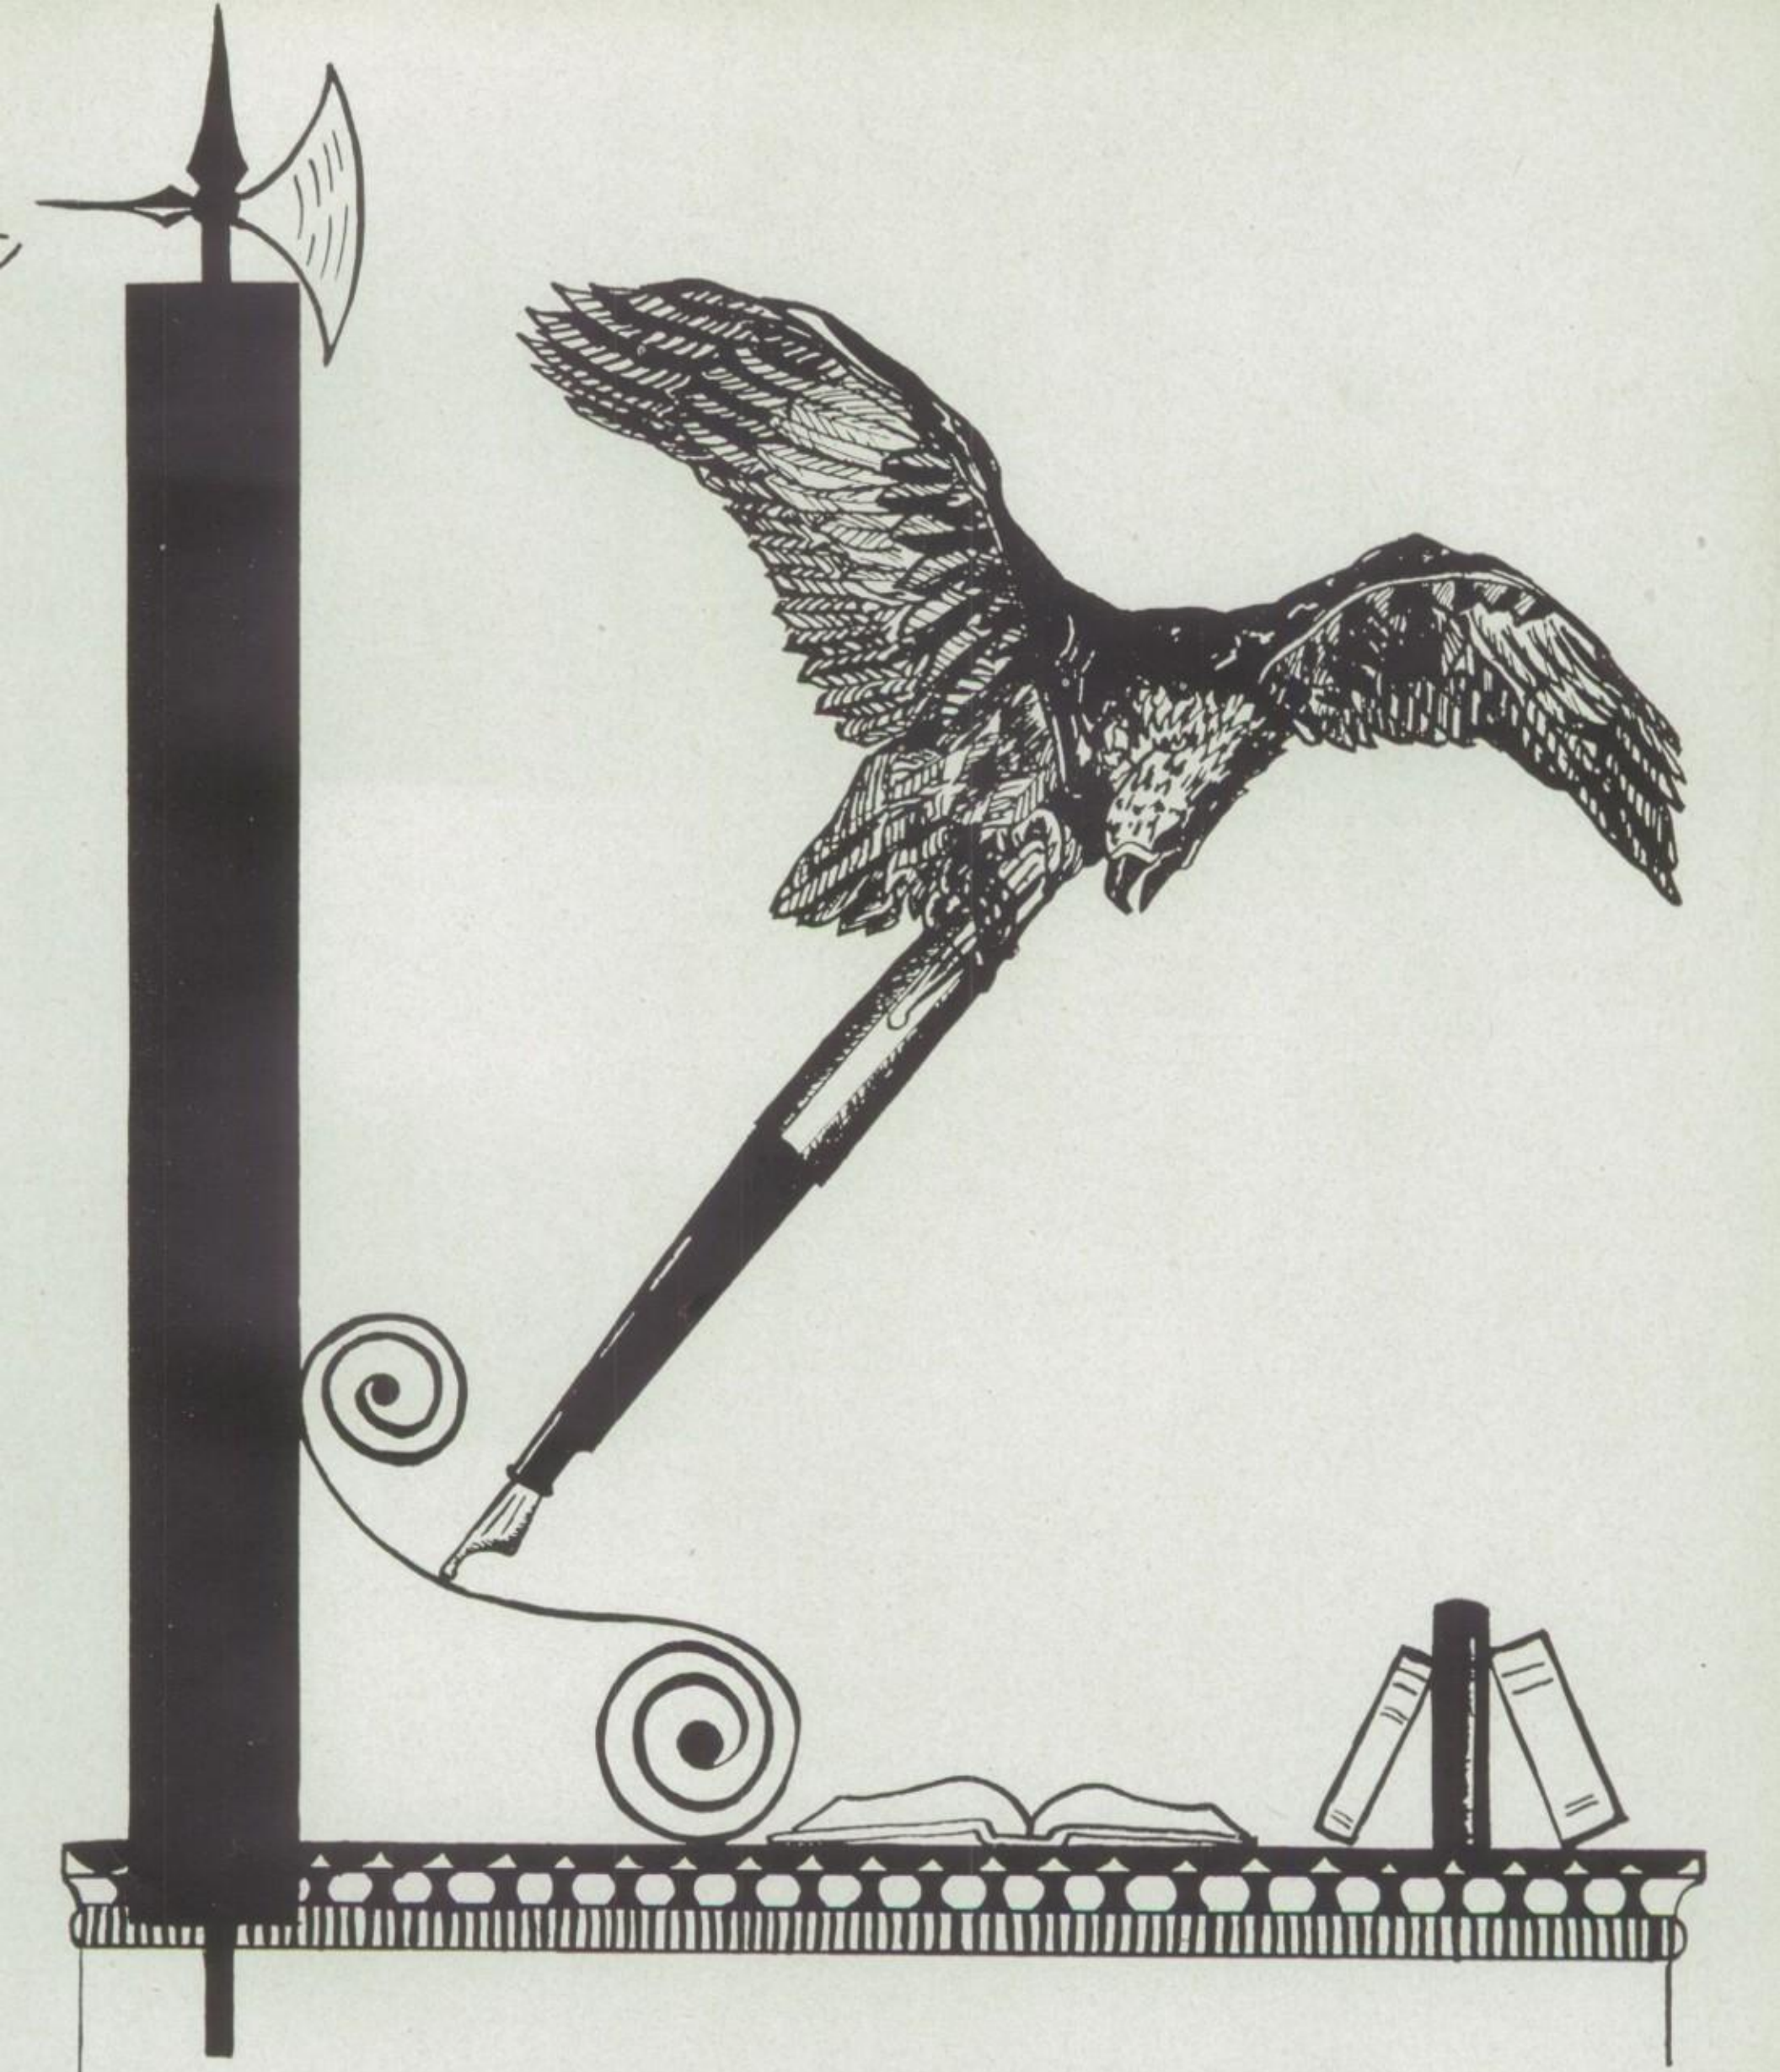
And often in memory comes back that day in spring.



We gather here to learn and to be entertained



In memory of our gallant soldiers whose devotion to duty has brought so great an honor to themselves and to our alma mater.



ADMINISTRATION

RONALD BROWNE

History of the Class of '47

It was a big step from grammar school to high school but we confident eighth graders were sure we could make it. What an ego-deflating we received from the upperclassmen! That was our very first high school experience

Remember all our other wonderful firsts? The first Homecoming game, bonfire, and snake dance was a special thrill. How we freshies worked! The aching bones are now forgotten but the memory lingers on. We remember our first class officer elections. Our first president was Dale Williams; vice president, Bill Kleiner; secretary, Clarke Robinson; treasurer, Virginia Bradley.

Remember your first crush, your first date, the first time you got the car? Remember your first report card?

Don't forget that tinge of pride the first time we saw our class represented in athletics. Al Stroker played varsity football as a freshman and how we bragged about that.

We got a little of our ego back when we became sophomores. That year, 1944, was the time we all got out of school early to rebuild our bonfire woodpile after someone had set fire to it the night before. School spirit ran high and despite a 27-0 defeat at the hands of Libertyville there was an outstanding crowd at the Homecoming dance.

We were buying war bonds and watching some of the upperclass fellas leave for service. It was tough trying to run your arc on an A card.

We elected Bill Kleiner as our class president. Mike McDonald was our vice president, Burt Dahlstrom, secretary and "Med" Glueckert, treasurer.

After school at the FREEZE you would invariably find the gang hashing out the latest gossip, listening to their favorite discs on the juke box, and crunching the traditional order of fries.

That fall the girls got a real chance at athletics when Miss Kestin helped us form our first Girls' Athletic Association. We've seen it grow and watched our own group of girls take the honors in intramural basketball championship two times.

We really felt like big guns the day we became Juniors. We had a big task ahead of us and so we chose capable leaders. Bob Boeckh was our Junior class president, Dale Williams served as vice president, Bette Schaaf was our secretary, and Bill Haney (now with the U.S. Army) was our treasurer.

Our big project of the year was the Junior Prom. We worked hard on the decorations and it was one of the most beautiful proms ever given.

We beat Woodstock 53-0 at a very cold Homecoming game. Some of us went into the building during the half, wrapped a blanket around our petrified feet, and tried to thaw out.

Ramble Inn opened and provided us with a place to park our carcasses, dance, play ping pong, or just gab.

One September we awoke to find a new independence and self-confidence. We were Seniors at last! There were no upperclassmen to hero-worship. We were on our own and it was wonderful.

"Tiny" Magnus was voted our senior president. Our new vice president was Burt Dahlstrom, our secretary, Pat Page and our treasurer, Marge Petersen.

We were honored at Homecoming with vivacious Faye Johnson as our Queen. Will we ever forget the happy day when our surprised and misty eyed queen had the royal crown placed upon her head? Her maids of honor included the cream of the crop from the senior class: Ellie Chamberlain, Jene Freyermuth, Joan Haugen, Dorothy Kirchoff, JoAnn Koester, Jean Nelson, Pat Page, and Marge Petersen. We proudly presented them at a pep assembly and on the afternoon of the game we paraded through town with the girls riding in long, gray twin convertibles.

At the football field we trounced Libertyville 43-7 and it was a victorious, happy Homecoming dance that night.

At Christmas time came the Senior Snow Ball, the formal dance presented by our class. The decorating committee worked hard to make it a success. One of the clever trimmings was a huge cotton snowball suspended from the center of the ceiling of the gym. There was confetti and serpentine to add to the gayety. There were approximately 100 couples in the Grand March.

Jean Faulstich received the DAR award for dependability, service, leadership, and patriotism. Jene Freyermuth and Faye Johnson were runner-up candidates.

As the second semester started we began to get spring fever and that peculiar feeling about "last times"—the last football game, the last basketball game, the last Prom, the last time the cheerleaders led us in the pep yells, the last time we saw the band and majorettes on parade, and that final last of all high school experiences—graduation.

We've come a long way together, gang. We are going to miss the good times, the good friends and the wonder of growing up in four short years. We've come a long way but there is a long road ahead, too. We aren't seniors long. There is always a new experience. We'll always be freshmen at something.

Let's go!

Junior Class Officers

President: JOSEPH SALZMAN
Vice President: ROBERT HELLER
Secretary: JOAN DODGE
Treasurer: JOANNE LECKBAND

The students that we, as Juniors, elected to lead us through our Junior year have proved worthy of our confidence and we're surely proud of them.

Let's take a quick glance back to the year 1944, the year we entered the halls of Arlington High as freshmen.

The dance we gave that year was a great success. After a short time elapsed, however, we found ourselves Sophomores. What a pleasure to watch those poor Freshmen suffer at homecoming time, knowing that we were safe.

President ..... ROGER KENNEDY
Secretary ..... MARY BEE FOWLER
Treasurer ..... WILLIAM SPEERS

The four Janes and Joes pictured above are what is known as the Frosh class officers. They were elected by their fellow classmates of '50, because of their good sportsmanship and citizenship. This "Big Four" has done a good job.

Here are the Freshmen, and in view of the fact that in three years they will be seniors, they deserve good mention. But they aren't waiting for their senior year. Pencil stubs and elevator passes, this year, hit an all-time low, due to their aggressiveness.

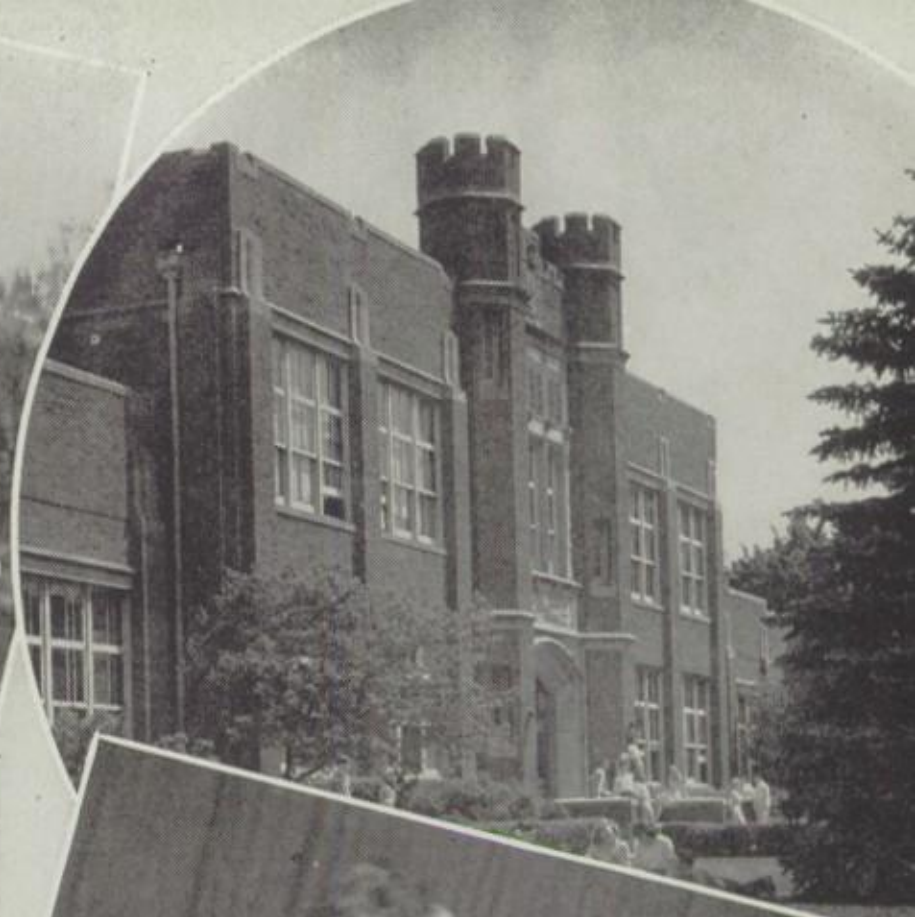
There is not a single organization that excludes freshmen from its membership. Some boys show remarkable talent, and promise to give the school some excellent teams in the near future.

Scholastically, too, the class of '50 is high, with several students making straight A's!



'Round and About the School

We're mighty proud of our drum majorettes . . . One can almost hear the music . . . Hope she makes it, the ones on the bottom look confident . . . Through the portals of learning . . . Ah, those smiling faces.

This year, again, they competed in the district contest and placed second, which is something of which we can be mighty proud!!

The Marching Band

These are the keen teens you've really seen and heard around town. Come patriotic holidays, football and basketball games these kids are on the job a'marchin' and a'playin'. They present a neat red and white picture of actual school spirit!

Arlington has long been proud of its twirlers, and this year is no exception. The girls showed their accomplishments by marching with the band at parades. Their performances were appreciated by all who saw them.

The String Ensemble and Triple Trio

The String Ensemble plays at many community affairs. This group provided a beautiful musical background for the National Honor Society initiation service.

The Triple Trio is a versatile group of singers. They can sing anything from Bach to Berlin and make it sound beautiful. They placed first at the state district contest which entitled them to compete at the state contest held at Canton.

All of the girls who sing in the alto section of Girls Chorus must meet certain requirements: they must be able to sing well, read notes, enjoy singing, and have deep, resonant voices. These girls meet such requirements and so are able to sing in the Girls' Chorus of A. H. T. H. S. They have added much to the color and music of our school and they enjoy doing it. Sing on, fair maids of melody!

The National Honor Society and Student Senate

The James Scott Chapter of the National Honor Society is made up of students chosen for outstanding qualities of scholarship, character, service, and leadership. This year has been a very successful one and eighteen new members have been added.

The new members are: Patricia Brock, Robert Blackburn, Robert Claus, Lucy Donlea, Joan Haugen, Carolyn Kraybill, William Lang, Betty Price, Clarke Robinson, Kenneth Gronert, Patricia Kule, William Lasley, Joanne Leckband, Joan Mors, Nancy Nichols, Dorothy Schlemmer, Marilyn Schlemmer and Marion Warner.

The Student Senate is an organization composed of representatives from each home room. Its purpose is one of helping the administration and students to have a better school. As a result of the cooperation of all members and the help of the advisor, Mrs. Elfeld, this group has done an outstanding job in student government this year.

Library Club

If you've ever set foot in our new library you've noticed how neat and orderly it has been kept. The Library Club, organized for the purpose of helping our librarian, Miss Nelson, does just that. The members help keep files straight, the room in order, and the books in their proper places. This literary group serves a very important function.

The Girls Club and Girls Athletic Association play very important parts in the girls extracurricular activities. The Girls Club sponsors teas, fashion shows, and a special "Dads' night." There are several divisions of the G. A. A.: bowling, basketball, volley ball, horseback riding, hiking and cycling, and baseball. Awards are given for the accumulation of points from participation in these activities.

The Dramatics Club, under the direction of Miss Peterson, gives outstanding performances. The giving of a dramatic reading is required of every student who wishes to become a member.

Pep Club

At every football or basketball game the Pep Club can be heard cheering the teams on. Their boost has decided the outcome of many games, and their leadership has brought out more cheering than our school has ever had. The club also travels to out-of-town games, so Arlington is always well represented. Carolyn Kraybill, President of the Pep Club, has led its 300 members to great success, as has been shown by the club's activities.

Pep Club

The Pep Club has been well represented at all of the football and basketball games during the year. It has led the student body in all the cheers. This club is open to any girl who wants to join and she is a member as long as she continues to come to the regular Pep Club meetings and comes out for the games to help cheer.

"The Heights" Staff

Take eight energetic students, add an enthusiastic advisor, like Mr. Pool, and you have our 1947 yearbook staff. These young people really worked hard to make this *"Heights"* the best ever and they had a great deal of fun doing it. Each gal and fella had his own special job to do. Led by the Editor-in-Chief, Elaine Kehe, we find an Assistant Editor, Patricia Kule, a Business Manager, Mary Ann Heimsoth, a Feature Editor, Bob Blackburn, an Assistant Feature Editor, Ronald Weigand, a Class Editor, Annabelle Hogreve, and a Sports Editor, Dale Williams.

The staff as a whole would also like to thank all other students who helped make the yearbook. They express their thanks especially to Betty Price who wrote the Senior Class history and to Betty Jo Hohman and Elaine Goewey who took all of the "candid shots." The advertising staff along with the business staff really worked hard to pay for this yearbook and so we also say, "thank you" to them.

Cardinal Staff

Seated: David Warner, Douglas Schimmel, Bill North (foreground), Marvin Pollard, Joan Worthington, Joanne Malzahn, Doris Meyer, Mary Lou Richards, Dorothy Lehnert, Gus Ladas

Standing: Donald Dewey, Joanne Gilman, Phyllis Nelson, Carla Bloecker, Carol Miller, Marjorie Stoelle, Barbara Crysler, Jeanine Schelcop, Betty Schaff, Dolores

The Journalism class plus a few outside members constitute the staff of the *Cardinal,* the bi-weekly newspaper that spreads the latest gossip, conducts the polls, and tells all the news. It is edited by Charles Schiller and is a member of the National Scholastic Press Association.

The *Cardinal's* annual dance, the Stork Club Jr., was, this year, a huge success. The last thing in night clubs, it featured the Blue Notes and an entertaining floor show.

Varsity Cheerleaders

Marilou Richards, Jean Freyermuth, JoAnn Koester, Faye Johnson, Joan Haugen, Carolyn Kraybill

The cheerleaders are divided into two sections, the Jay Vees and the Varsity. All girls who have the pep and stamina to be elected to this organization by their superiors are first put into Jay-Vees to lead cheers for the underclassmen games and then, after a year or so of experience, are moved up to the coveted position of Varsity cheerleaders. Being a Varsity cheerleader doesn't altogether mean you are better but it gives the upper-classmen a chance to cheer for the men in their classes.

Jay - Vees

Joan Lamar, Jane Page, Jean Baldwin, Jackie Ryan

The cheerleaders in A. H. T. H. S. are the best. They have all shown up in rain or shine to back every event which has come along and have shown enthusiasm and pep, whether the going is tough or our score is beyond reproach.

The cheerleaders are the only gals in school who are allowed to wear the A-Club sweaters and don't think they aren't proud of it.

We know our cheerleaders as the unsung heroes of our athletic contests, for they are the few girls who lead our school in yells as our team pulls through to fame.

Freshmen and Senior Cheerleaders

Pearl MacDonald, Jeanine Burnier, Donna Golden, Katherine Kraybill

This year we have added something new to the cheerleading groups, freshmen cheerleaders. We feel that this will give the girls a chance to prepare themselves to be Jay-Vees and later on Varsity cheerleaders. They have cheered with the Jay-Vees for a few games this year and I think all will agree that they were pretty good. Keep it up, girls, and you'll be the future Varsity cheerleaders pictured here.

The requirements to enter this club are a major letter, the coach's recommendation, and the members' vote.

The Coaching Staff

Director of Athletics, Mr. Grace (not pictured)

Under the able direction of a superb coaching staff, Arlington's power packed football team had an excellent year. They started with a bang by defeating Barrington 38 to 0. In the next two games, rated as the "under dog," they surprised everybody by tying Crystal Lake 12 to 12, and Niles won only by shaking loose for an 80 yard run, the score was 12 to 7. In the next two games Arlington's high spirited team walloped Leyden 38 to 0, and had a field day with Warren, defeating them 26 to 0. Woodstock's upset of Arlington was the only time Arlington didn't click and was defeated 20 to 6. With the defeat at Woodstock still in their memory and spurred on by the Homecoming spirit, Arlington ran all over Libertyville. They practically scored at will and defeated Libertyville before a homecoming crowd of over 1,000 by a score of 43 to 7. The last game of a brilliant season was against the undefeated Northeast Conference Champions, Lake Forest. Lake Forest had to fight every inch of the way to make their 25 points. The final score was 25 to 0.

There were no outstanding stars, but every player was a consistent and hard fighter. Allan Stroker and Dale Williams were selected as Co-Captains for the season by their team mates. These two also held positions on the Cook County Herald's selected Northeast Conference All Star Team, which is proof of their consistently fine playing.

Won—4 Lost—3 Tied—1

"A team is as strong as its reserves" is one of the truest things ever said. And the only way to get great players and strong reserves is to develop them from the freshman year. This year's Junior Varsity and Freshman squads look exceptional. The J. V.'s won 3, lost 1, and tied 2; the Freshmen tallied 3 wins, 3 losses and 0 ties. From these indications Arlington's future teams should be great.

Our varsity basketball squad of this year is one of the best teams that we have ever had. These fellows really worked and practiced hard to keep on the team and to keep the team standing on the high level it is now, with only two conference defeats, both of which were to Crystal Lake. The boys played hard to make their record; and the whole student body is proud of the splendid group of athletes it has turned out. We are also proud of Coach Iba for his superb coaching. Our basketball record is as follows:

This year's Junior Varsity played good ball all season. All their games were close and they fought hard to the last game.

The Freshman squad looked exceptionally good. Among these players there is some excellent varsity material for the future. Their coach deserves much credit for developing them into the fine bunch of players they have turned out to be.

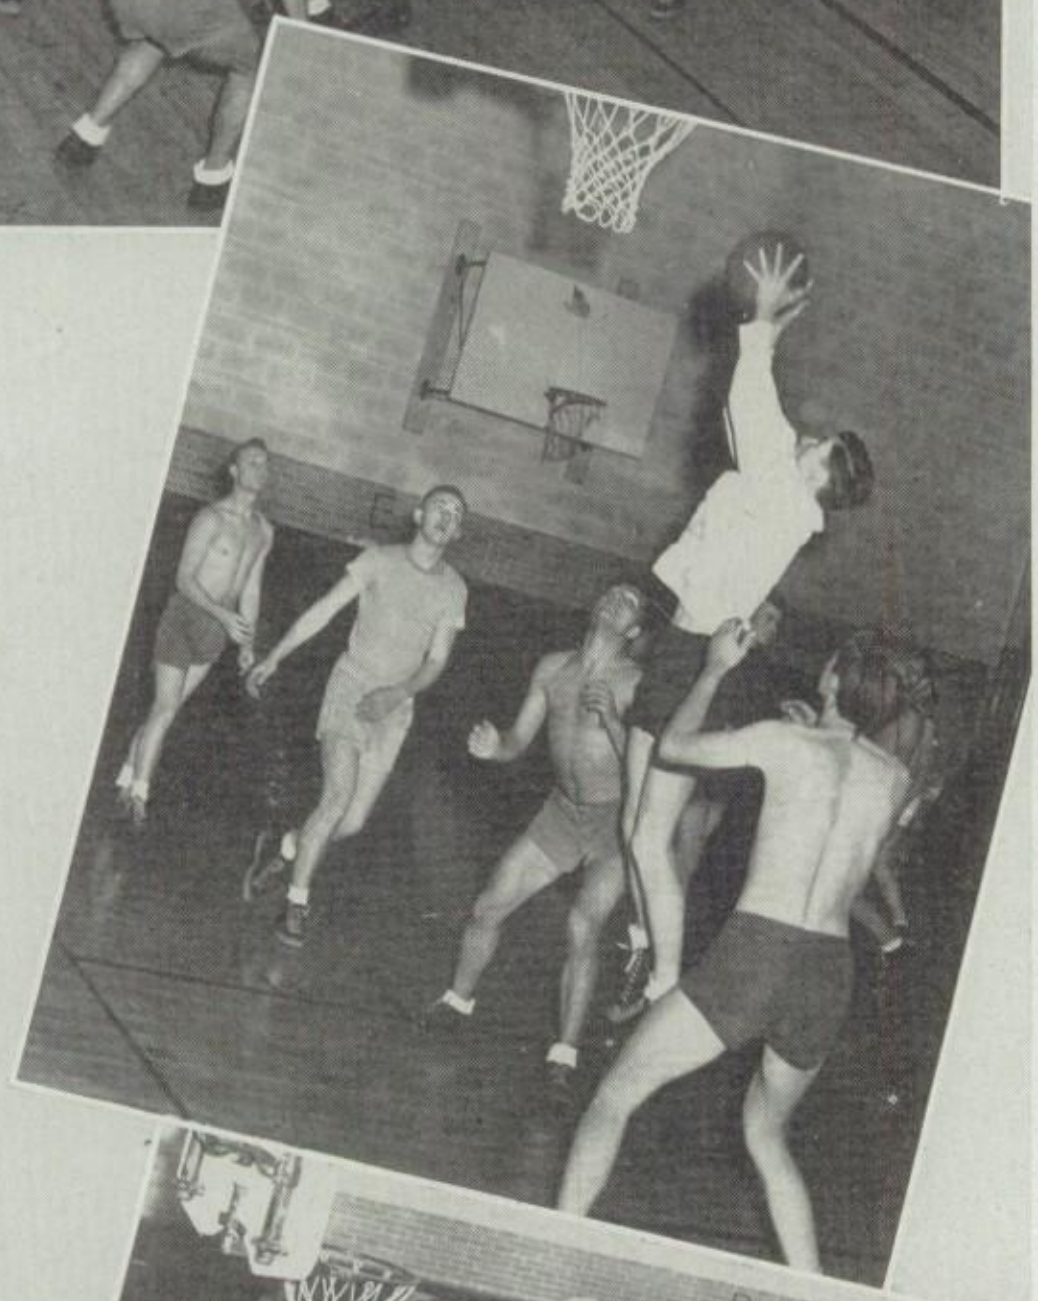
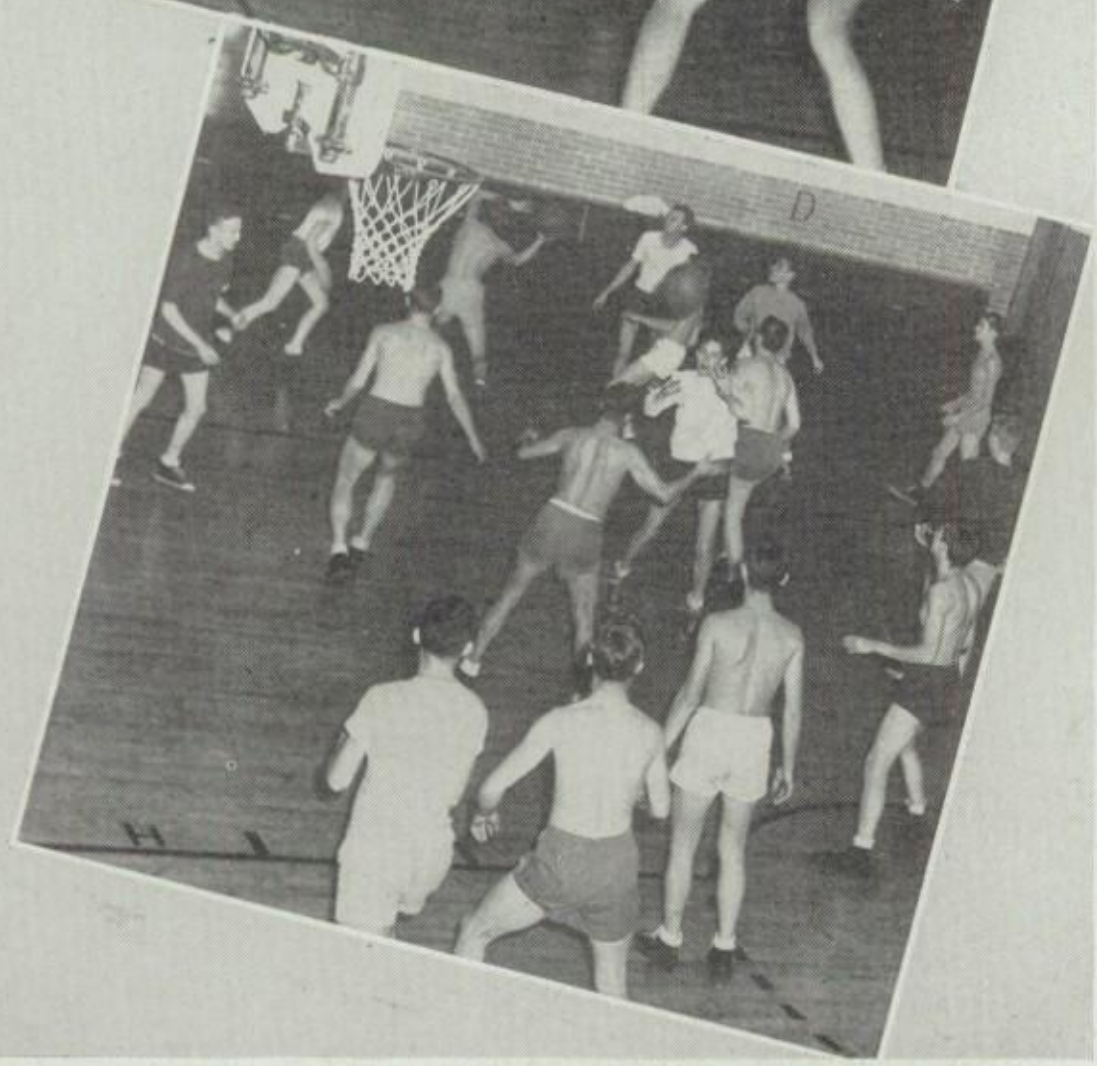
Intramural Wrestling

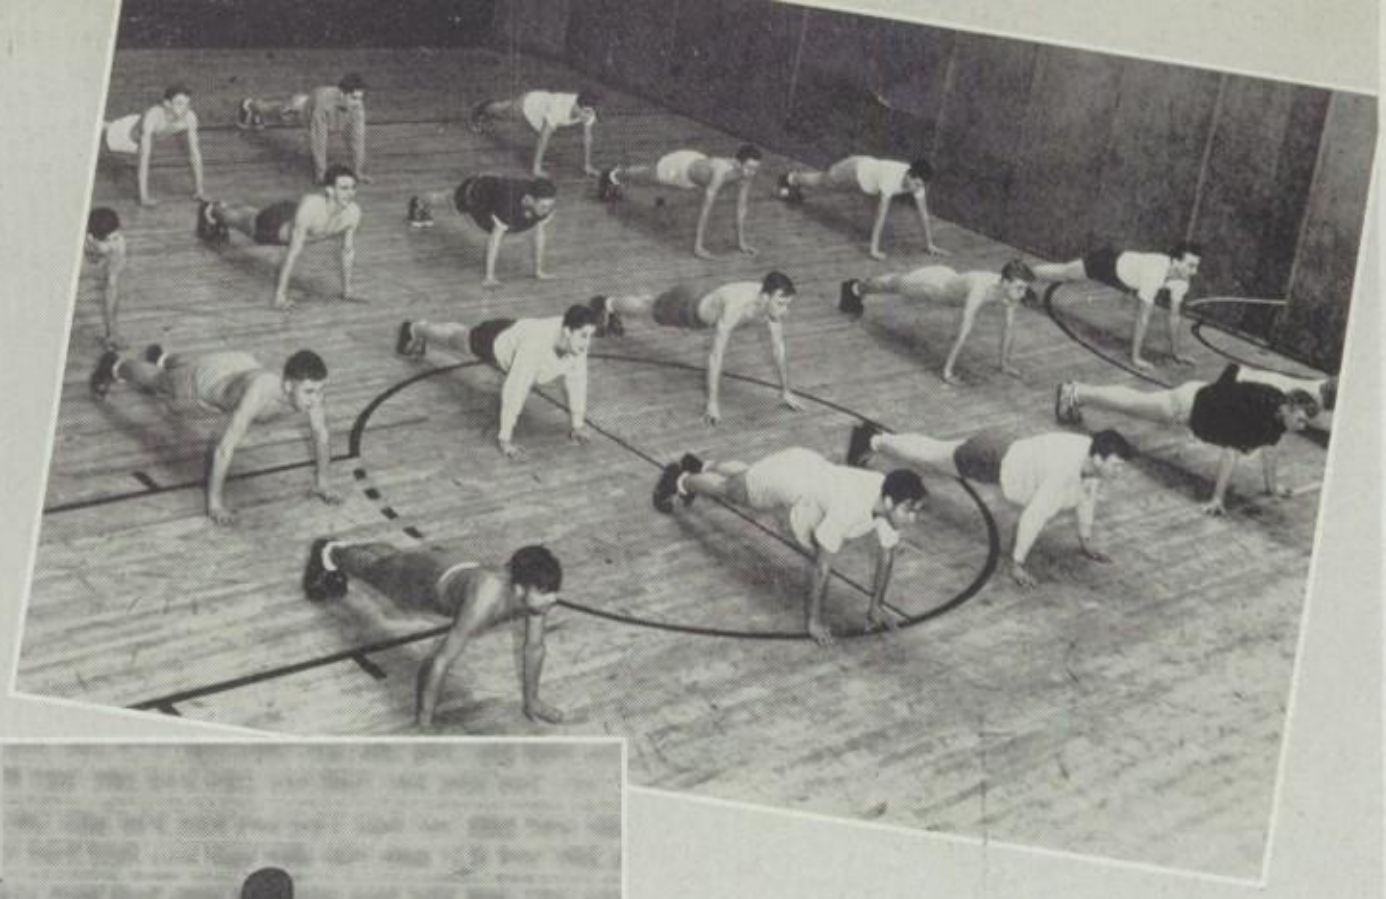
Intramural wrestling is a sport which has become very popular in the last few years and is now a permanent part of our intramural program. Most of the bouts were held after school. This group has also put on some wrestling performances between the halves of our basketball games.





Boys Gym Class

The mighty muscle men of A.H.T.H.S. are revealing the secret of their biceps—calisthenics. They also go in for rigorous games of basketball and volley ball in the winter, and football and baseball in the fall and spring. In between seasons they tumble and do exercises to keep those brawny forms in good condition. To supervise and instruct these boys is the number one muscle man himself, Mr. Larsen.



Gym Classes and Intramural Basketball

Well organized gym classes are healthful, educational, and fun. Basketball provides training for future basketball players and encourages a competitive spirit.

Basketball in gym classes furnishes practice for intramural games.

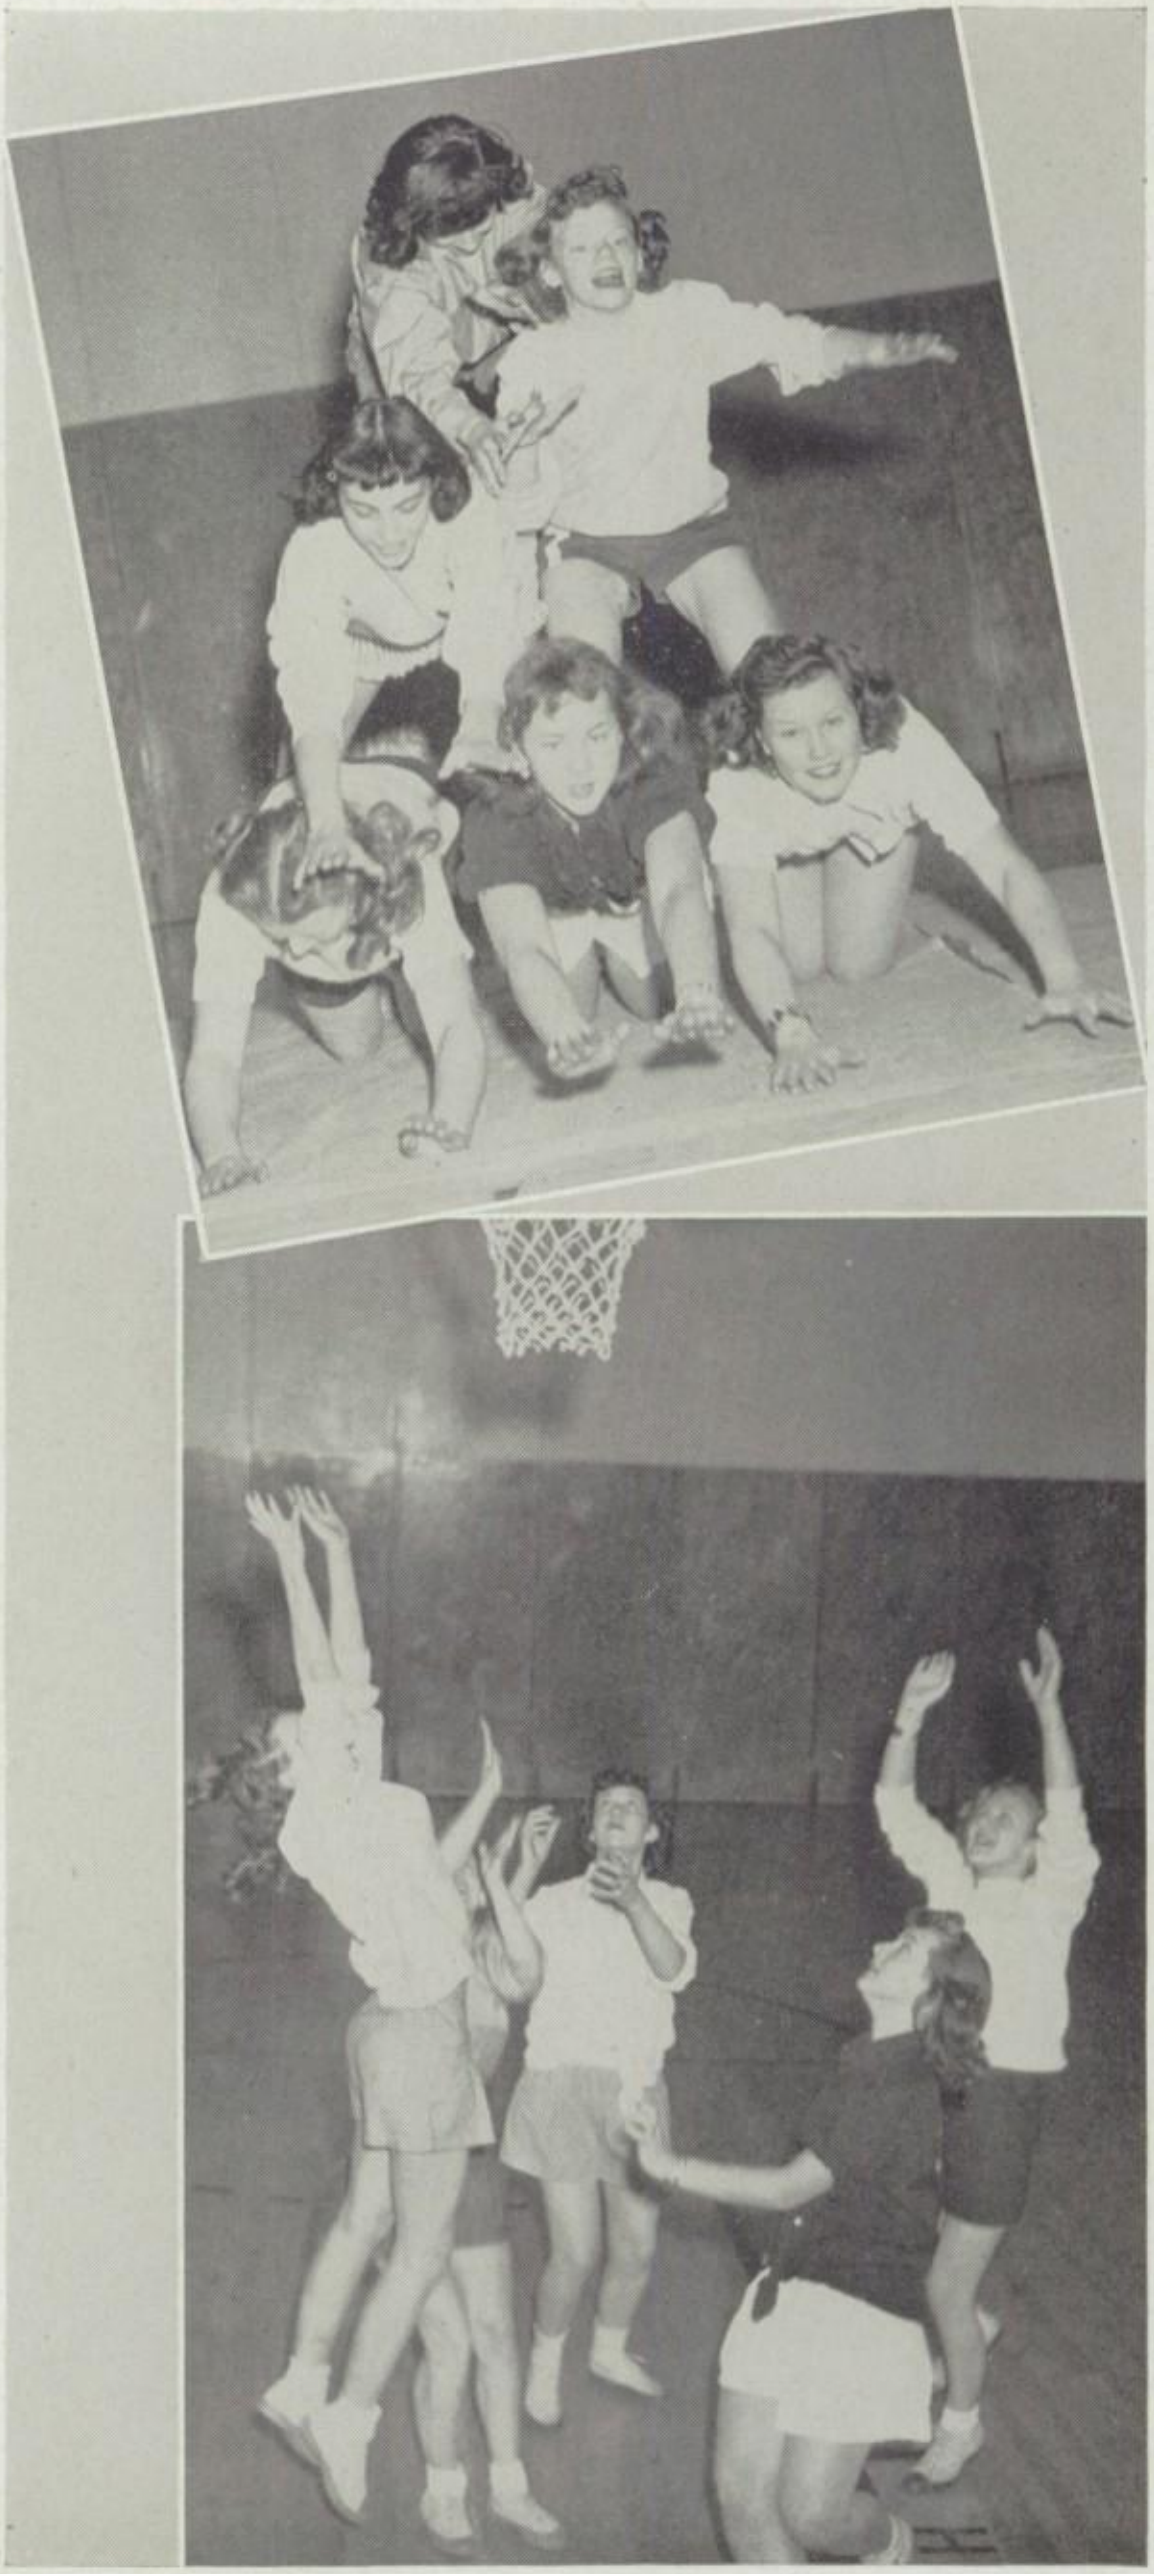
The Girls Gym Class

The girls are participating in one of their between-seasons sports — square-dancing. It's mighty strenuous exercise and rather difficult at first. But once you "catch on" it's lots of fun.

Look at all those smiling faces. It must be that they enjoy exercising. Anyway it's a good way to reduce those hips. The girls gym classes spend considerable time at calisthenics under the expert supervision of Miss Kestin.

The Girls Gym Class

Girls gym classes include tumbling—in the actual sense of tumbling. They have soft mats to land on so they won't be injured.



Even though they're girls, they play a might rough game of basketball. Fellows—they use different rules from yours, so don't expect the same kind of game. It's a mighty good one, though.
